Key Insights

- **Target missed:** $24.9M vs $25.4M target (-2%); all 6 countries fell short.
- **Strong profit:** $10.6M at 42.47% margin; revenue up **7.91% MoM**.
- **Concentration:** US + Australia = 62% of revenue; Bikes = 94.9%.
- **Seasonality:** Peak in June, slump July–November, rebound in December.
- **Loyal customers:** 69% repeat rate, $990 average order value.
- **High returns:** 7.26% return rate, led by water bottles, patch kits and tubes.

Recommendations

- **Close the gap:** Focus on Australia and the US with monthly country targets.
- **Fix the slump:** Run promotions and bundles from July to November.
- **Diversify:** Bundle accessories and clothing with bike sales.
- **Cut returns:** Audit quality and packaging of top returned items.
- **Grow value:** Reward repeat buyers and upsell premium bikes.
- **Protect profit:** Keep Road and Mountain Bikes well stocked.
